

**PLEASE READ:** Copy this sheet to make enough labels for your entries. (Fill in the City / Newspaper line before copying if you wish.) Fill in all the blanks. If a category has a number and a letter, such as 8H, be sure to include the letter. Please print neatly or type. Every entry needs to have one of these labels attached to it. If an entry envelope has more than one entry inside, attach a copy of each entry label to the outside of the envelope.
