

# “Trust Us!”

Without public notices, the government wouldn't have to say anything else.

Public notices are a community's window into the government. From zoning regulations to local budgets, governments have used local newspapers to inform citizens of its actions as an essential part of your right to know. You know where to look, when to look and what to look for to be involved as a citizen. Local newspapers provide you with the information you need to get involved.
